Re: Harvey Oaks Furniture Replacement

Chad :

Bids were received on September 7, 2022 for the Harvey Oaks Furniture Replacement project. Per the attached bid tab, five bids were received. The total budget for this project is \$202,472.

Bidders were asked to submit their bids on a line item basis. The sum total of low bids for each individual line item is \$188,460.45 and would result in the project being divided among three vendors. Two of the bidders submitted a cost to provide the entire project. The low bid of these two proposals was from Sheppard's Business Interiors (SBI) in the amount of \$195,343.87.

Due to the significant reduction in disruption to the school as well as reduced management effort required on the part of our Project Management and Purchasing departments by working with one vendor in lieu of three, we recommend the project be awarded to SBI in the amount of \$195,343.87 and the district work with SBI to coordinate delivery and installation o

AGENDA SUMMARY SHEET

Agenda Item: Adoption of FYE23 Budget

Meeting Date: September 26, 2022

Background/
Description:

On August 8th, the board conducted the hearing required by Nebraska statutes before it may adopt its budget for the ensuing year. Copies of the FYE23 Budget were given to the board members and made available to the public at that hearing.

The certified property values for the district increased 7.61%. This was higher than projected, thus the Property Tax Requests were adjusted and the proposed levy was reduced.

In light of the above, the budget summary was amended accordingly. The total levy will change from \$1.2191 to \$1.2100, a decrease of \$0.0091. A copy of the original "Notice of Budget Hearing and Budget Summary" and a copy of the "Revised Budget Summary" are attached.

Action Desired:

It is recommended that the FYE23 Budget be adopted as submitted in the Revised Budget Summary and that such document be incorporated herein in its entirety by this reference.
